Veronica Caracciolo Joins Americo as International Account Executive

Americo Manufacturing Company, headquartered in Acworth, Georgia, a supplier of a full range of floor pads, hand pads and floor matting, has announced the appointment of Veronica Caracciolo as International Account Executive. Americo presently sells to over 50 countries worldwide and Veronica will be responsible for supporting all of Americo's international sales. She's conversant in three languages (Italian, Spanish and English) and comes to Americo with a strong background in international marketing, most recently as North American Sales Manager for an engineering company based in Italy. With Ms. Caraccios's expertise, Americo looks forward to better serving its customers worldwide.
